Artwork Instruction
1. Do not remove or add any layers.
2. Create your design as required in the print on the design layer.
3. Convert all text to outlines.
4. Please make sure you have used CMYK color mode in your design.
5. Embed all images in your design.
6. Final file format required as PDF without trim or bleed for quick automated processing.
7. You don't need to add any bleed. We will add bleed as per our requirement.
8. You can export the artwork in JPEG, Tiff, PNG, Ai or PDF
